Applying for a Direct Parent Loan for Undergraduate Students (PLUS)

Step 1 Submit the 2020-2021 FAFSA, Free Application for Federal Student Aid. Once received by Emory University additional documents may be required for completion of the FAFSA application process. If additional information is needed the student will be notified via email (student email address marked as preferred in OPUS). A PLUS loan cannot be processed until the FAFSA is received.

Step 2 To apply, go to StudentAid.gov. Sign in using your U.S. Department of Education FSA ID. If you do not already have a FSA ID, select create a FSA ID hyperlink. When the next page opens, select Request Direct PLUS Loan and select Undergraduate Parent PLUS as the loan type and follow the prompts.

REQUIRED Credit Check: Each new loan requires that a credit check be conducted. An adverse credit history may result in loan denial by the Department of Education.

If your loan is approved by the U.S. Department of Education a signed MPN, Master Promissory Note must be completed. The borrower will receive an email from the Emory University Office of Financial Aid with instructions on how to electronically complete the MPN. You will sign the MPN using the federal Parent PIN (the same PIN used for the FAFSA). The Parent PIN is not the same as the Student PIN. A valid PLUS MPN may be used for subsequent Federal Direct Parent PLUS Loans for up to 10 years.

If your loan is denied notification will be sent from the U.S. Department of Education. With a denial you may reapply with an endorser (credit worthy co-signer) directly with the U.S. Department of Education, OR allow the student to borrow an additional Unsubsidized Stafford Loan. Freshman/Sophomore up to $4,000 and Junior/Senior up to $5,000. If the additional Unsubsidized Stafford Loan is offered the denied PLUS loan will be cancelled.

Fees/Rebates: Federal Direct Parent PLUS Loans are charged a fee by the federal government. This fee, 4.228% helps off set the government cost of making low-interest loans. The fee is deducted from the gross amount of the loan.

Example:
Parent borrows $10,000 for 2020-2021. The loan fee of 4.228% is subtracted from the loan ($10,000 X 4.228% = $422.80). The disbursement amount of the loan is $9,577.20 ($10,000 – 422.80).
