APPEAL DIRECTIONS FOR STUDENTS
(the Appeal Form appears below):

At the end of the Academic Year, Emory University’s Office of Financial Aid will determine whether you have achieved the academic progress that is necessary to maintain your eligibility for financial aid. If you have not made Satisfactory Academic Progress (SAP), your access to aid for the next academic year will be suspended, and you will receive an e-mail from your Financial Aid Advisor notifying you of the matter.

The conditions necessary to make SAP can be found on the following webpage:

If you would like to submit an appeal to the Office of Financial Aid to have your eligibility to aid reinstated, you will need to submit a complete SAP Appeal Packet. A complete packet consists of the following:

1. A completed Appeal form which includes a degree audit and a proposed academic schedule, approved by an Academic Advisor, for the semester in which you are seeking reinstatement;
2. A personal letter or statement that explains why you were unable to make satisfactory progress, and what has changed in your situation that will allow you to make satisfactory progress at the next evaluation, and;
3. Documentation supporting the stated reason(s) for not making SAP.

The appeal form is attached below.

Please note that appeals cannot be considered until a complete SAP Appeal Packet (as described above) has been submitted. Packets submitted in person take a shorter amount of time to be reviewed.

The Office of Financial Aid will work toward notifying you of its decision within two weeks from the time you submit your completed Appeal packet.

In order to receive your Appeal Decision and clearance (if approved) to receive aid for the semester in question, you should work to submit your completed packet at least two weeks before the end of the Add/Drop period. Appeal packets received after this time may not be reviewed in time for Add/Drop, and reinstatement (if approved) may have to be postponed until the following semester.

Submitting a SAP appeal does not ensure that your aid will be reinstated, and therefore you should have a back-up plan, if your appeal is denied. If your appeal is denied, or should you choose not to appeal, you can regain eligibility for aid by meeting both the Qualitative and Quantitative requirements for SAP.

If your appeal is approved, make sure you understand what is expected of you so that you can regain regular eligibility to financial aid.
